

25 July 1952

Dear Prof. Schmitt:

Your letter of 24 July recalled to me my serious neglect in not having arranged so that we could go together before you left. I am afraid the fault is entirely mine, and I hope that when you next visit Washington you will show your forgiveness by giving me a call. I telephoned today upon receipt of your letter, but just too late to reach you. I shall get in touch with your successor, Dr. Sweet, and be of any possible help to him.

Sincerely,

(Signed) ALLEN W. DULLES

Prof. Bernadotte E. Schmitt
